Sir:

This application is being submitted as a Continuation in Part, based on the following statement in the original application:

*As a marketing service, each puzzle can be hyperlinked to the Web sites of appropriate merchants. Hyperlinks can also be used to provide non-verbal clues, such as reproductions of art works or brief musical selections. As an instructional tool, my invention can be used, for example, for foreign-language instruction.*

The current application is an enhancement of that statement. No new matter has been introduced.

In response to the Office Action mailed 11/24/03, please amend the above application as follows:

Title: Change to -Multimedia Advertising Method Using an Acrostic Puzzle-
